WORK EXPERIENCE

Academic Intern / Amherst College Political Science Department, Amherst, MA

January 2025 –

Present

- Web scrape data from websites to obtain nationally relevant presidential election information to test the hypothesis on the association between political fragmentation and democratic backsliding in Latin American countries
- Tidy and manage data into spreadsheets for analysis and visualization after and before the year of ideological shock

Summer Lab Researcher | Amherst College STEM Incubator, Amherst, MA

June 2024 – July

2024

- Completed a six-week intensive rotational program covering biostatistics (clinical trials, data visualization), biology (drug delivery, nanotechnology), and chemistry (biodegradable polymers)
- Developed and defended an original research proposal about food deserts and food inequality, which involved statistical clinical trial methods, to an audience via an Incubator Symposium
- Participated in professional development workshops, including career exploration, public speaking, literature-based research, and colloquia

Translator | Friends World Committee for Consultation (FWCC-Americas), Amherst, MA

December 2023 – June

2024

- Partnered with Professor Benigno Sanchez and a student to complete translation projects ranging from verbal to written texts
- Collaborated with team to prepare Professor Benigno Sanchez's international travel meetings with the Europe and East Asian group
- Translated a World Quaker Songbook and a 17-page Quaker Study Guide from English to Spanish for the Quaker Spanish Americas Group

Intern – Billing & Coding Specialist / HCA Houston Healthcare West, Houston, TX

June 2023 – July

2023

- Demonstrated proficiency in translating healthcare provider's diagnostic and procedural notes into industry-standard alphanumeric codes for billing and record-keeping purposes
- Spearheaded patient accounts, verified entry of codes and adherence to co-pay requirements prior to claim submissions
- Ensured timely revenue collection by maintaining meticulous records and following up with insurance providers in regard to outstanding payments

COMMUNITY INVOLVEMENT/LEADERSHIP EXPERIENCE

President | QuestBridge Scholar Network Leadership Chapter, Amherst, MA

September 2023 –

Present

- Lead executive board in organizing programming to facilitate support and community engagement among QuestBridge scholars by delegating tasks to appropriate board members based on skills, knowledge, and abilities
- Work alongside treasurer to manage budget of \$1,500 and track fund requests for on-campus community-building activities
- Frequently coordinate and communicate with resource centers on campus for collaborations and event planning feedback
- Manage Google forms and logistical planning to collect comments, inquiries, and requests from QuestBridge scholars, ensuring they feel heard and engaged in different communities

Committee Member | Amherst College DEI Mathematics & Statistics Committee, Amherst, MA

January 2024 –

Present

- Design engaging workshops/training sessions aligned with the college's Anti-Racism Plan for the STEM community
- Develop comprehensive STEM strategies for success for international and first-year students breaking into statistics
- Manage social media accounts using effective online presence methods to increase user activity and committee impact
